

**Announce dates for *Platinum Certification Program* at
May Supply in Harrisonburg, VA!**

We have scheduled a **Platinum Water Treatment Certification Program** to be held on **November 6th & 7th, 2013** at **May Supply 1775 Erickson Ave. Harrisonburg, VA. 22801.**

This is a tuition paid program with a cost of **\$299.00** per individual. Tuition **must** paid by **October 25th** to secure your place for this educational training program. Seats are limited and will be assigned on a first come, first served basis.

With your paid tuition, you will receive two (2) full days of intensive training on water chemistry, water treatment basics & receive certification on CSI water treatment equipment (for a list of topics to be discussed, please see the attached Platinum Program flyer). Also, your tuition payment will include the following;

- Danish/coffee (2), Group Lunch (2), Group dinner (1)
 - CSI Platinum Training manual
- Computer USB Flash Drive of PowerPoint presentation slides
 - CSI shirt
- 2401 test kit w/ pocket TDS meter (**Upgrade to 7 parameter 438 test kit for + \$375.00**)
 - Case (24) CSI water sample bottles
 - Signature/Signature 2 control valve parts repair kit
 - (1) small & (1) large CSI banner
 - Assortment of CSI sales literature
 - CSI truck decal
 - Platinum Training Program completion certificate
 - Group photo
- Coupon for **10% discount** off your next CSI equipment order

Please complete the attached reservation form, include your tuition payment & mail to;
